Guidelines of the main collection point

To avoid misunderstandings, we ask you to observe the following guidelines at all times:

- The instructions of the staff must be followed.
- Smoking is prohibited on the entire premises.
- Please ensure that the waste is of the correct type when disposing of it.
- Dübi and black garbage bags are not accepted.
- Only drive at walking pace on the site, park in the marked parking spaces and turn off your vehicle engine during your stay.
- Please watch out for children - risk of accidents!
- It is not permitted to remove materials from the containers and the rubble skip.
- **Chargeable are:**
Combustible materials (waste, bulky goods, wood), tires. Building rubble from 10 kg and waste oil (engine and cooking oil) from 10 liters.

Infrastructure costs (base fee)

The infrastructure costs are charged at a flat rate per household. They include the costs for the operation of the main collection point and the secondary collection points as well as the Öki bus, the cardboard, paper and special waste collections, the green waste collection, the shredding campaigns, the administration and advice as well as the recycling calendar. The infrastructure costs amount to CHF 57.60 per year.
